## Listener Feedback

---

The past month has had a very unusual flood of people asking what was broadcasting. People do ask every once in a while, but there was a noticeable amount of new people over the past month. The Ephesians series is broadcasting for the second time, with only a few weeks break in between the first time. I started recordings on First Corinthians, but I need to do a lot more before I try to broadcast it, or I will definitely run out of programs and have to broadcast something else. It does not take 30 minutes to do a 25 minute recording.

I was of course concerned about re-broadcasting it so soon, but I have been

encouraged by the recent response. It is as if hardly anyone listened during the first round.

We don't post the programs broadcasting by date for a couple of reasons. The first is that we do sometimes broadcast different programs on different stations. This is really common when we start on a new station. Unfortunately, we are going to have to make decisions about cutting stations this month, rather than adding them, but this is the first reason. The second is that it gives us a chance to meet new people. When they contact the ministry, I get to say hello, ask them how long they have been listening, things like that. I can make notations to perhaps contact them later to see how they are doing.

Most of the time I had available to work this month was filled up with correspondence.

Most Sincerely,  
Aaron  
Teaching Pastor for Living God Ministries

## Recent Testimonials

Thank you for the hard work that you put in to produce, and present such excellent content. It has truly made a significant impact in my life, and has greatly contributed to getting to know my God. I pray that more people will tune in to your programs, as they become more available, and result in souls being saved, and lives changed.

I have been so changed in heart, in listening to the words God has spoken through you. Thanks to God for what He has done, and thank you for speaking it. My relationship with God is so much closer and intimate and He continues to help me grow in understanding now, with this better foundation with Him.

Thank you for saying yes to God and taking the leap with Living God Ministries. I've been learning from you for 17 years!! God has led me in a completely opposite direction from what my parents, the world, the enemy laid out before me. And I could not be happier. I've entered His inner circle. I know Him and love Him better than anyone, and I can't wait to spend eternity with my God!

I'm gonna be honest with you. I heard about you in prison. I listened to you on the radio. Your teachings were so phenomenal to me I was blessed to listen to you right before dinner. I got out and the Christian life outside of prison was such chaos. And now I am back. The Lord has been so graceful and merciful to me. And blessed me with your teachings. Thank you so much. God bless you.

I heard about you listening to preaching (don't remember who) on Youtube several months ago. Somebody mentioned you in the comments and I found you with an internet search. This person said they attended your church in the past. I've got to tell you, I've never heard teaching like yours before. It is AMAZING!! I've listened to the Trinity series, the Tithing series, just finished the Baptism series. You expose so much of modern mainstream beliefs. My last horror show was attending a Calvinist church during the

plandemic. I quit when the pastor took the jab. I listened to your explanation of Ephesians 1. Brilliant!! I am not well versed in the Bible because I could never find decent teaching after searching for many years. I think your Baptism and Tithing series sheds the most light on what most of us don't have and that is the Jewish history behind why these things came to be. No one teaches these things. No one asks. I appreciate your work and am donating because it's so important that you continue to teach the truth.

In accepting many truths that Aaron talks of in this message. I have finally been able to enter the rest I've been hearing him talk about ever since I first started listening to him back in November of 2021. Although things around me are more challenging and a lot harder. I've never felt more at peace and without fear. It's true the Lord's yoke is easy and not burdensome. Seek truth, accept truth, and walk in His truth that he generously reveals to you, and you'll be set free. Thank you Aaron.

Thank you for all your messages in Ephesians. They have really and truly benefited me abundantly without a doubt in growing spiritually and in my personal relationship with my God. Thank you so much for showing me what is real and what is not. May you continue the good work that the Lord has given you to do so that this generation as well as future ones will benefit from them.
